

Testimonials

“I now know why you are such an amazing teacher—you teach from the heart.” Abel Salvador Flores, student, May 2017.

“Thank you again for everything you do for us students, Mr. Miller. Especially the life lessons you have taught us.” Hunter Jones, student, August 2017.

“My experience in English 103 was awesome. I usually dread taking English courses but this time it was different, I really enjoyed this class. I learned how to write well thought-out papers without stressing out or having anxiety...Thanks to you I have the confidence to enter a university with the writing skills I need.” Donte Day, student, December 2016.

You are “a great instructor Mr. Miller. This whole class was awesome and I hope I can take more classes with you sir.” Juan Carranza, student, August 2016

“My experience in English 101 has been amazing.” Brianna Kenan, student, August 2017.

“I had a good experience in this class as well as with your other classes. I would like to say thank you for the knowledge and bringing the guest speakers this semester.” Daisy Rodriguez, student, December 2016

“It was a class different than the others because of the active learning and interest that I had in the topics...Thank you Mr. Miller for a great experience. When I took this class I wasn't expecting to remember and cherish the lessons learned inside this classroom.” Mariana Barrueta, student, May 2017

“I describe my experience in this English 103 class as the best class I've ever taken.” Eduardo Uribe, student, May 2017.

“My experience in English 103 was amazing and the reason is because I learned about history...Your class opened my mind in such a way that I am really thankful. Now I think that I do not only improved myself as a student but also as a human (being).” Ivaldo Gonzalez, student, May 2017

“This English class has been my favorite. I loved how you mixed it in with history so it was even more interesting. I expected this class to be boring but it wasn't. I also

appreciated all the special guests. Yes, I benefited greatly as I had first hand knowledge passed on.” Rigo Garcia, student, May 2017
